

2009 2nd Annual Gladstone Snowshoe Shuffle Race

The 2009 2nd Annual Snowshoe Shuffle 5K Run/Walk was held on Saturday, February 21st at 10:00 a.m. The temperature at race time was 26 degrees F and cloudy.

There was a record number turnout for the race with over 50 participants. All had a great time, and agreed that the race was a success. So, I guess mark your calendar for the 3rd Saturday in February next year.

There was over \$1,400 raised and split between the Gladstone Knights of Columbus and their charities and the Delta Area Youth Snowshoe Striders for equipment and snowshoes.
