

## Leif's Run Results of October 12, 2013

The rain cleared only several minutes before the runners started and held off until they finished. About 20 walkers participated in the walk / fun run. This was Norway's homecoming weekend, which probably diminished entries. A race in neighboring Iron Mountain also may have had an effect. Thanks to all who entered.

Special thanks to the LaFave Oil Company, which helped fund the event. Norway Spring supplied water, and the tee shirts and medals were from the Swedish Passport. Members of Norway High School's Youth Advisory Council provided willing workers. Thank you to all who assisted.
